SPECIAL CLUB MEMBERS INVITATION

JUNE 14, 15, 16 & 17

**HIGH PERFORMANCE DRIVING EXPERIENCE
& TOURING SESSIONS AVAILABLE**

VARAC invites car club members to actually drive the race course at its 33rd annual Canadian Historic Grand Prix sponsored by Wilson-Niblett Performance to be held at Canadian Tire Motorsport Park (MOSPORT) this coming June.

That is right! We are making available driving opportunities so that more enthusiasts can see and feel what it is really like to crest the top of Corner 2 and experience the world falling away, sweep sharply down hill through Corner 4 and climb rapidly up to 5, then the long uphill sprint to 6 & 7, sweep through 8 then carefully choose your apexes through 9 & 10 before being released to the Start/Finish straight, then do it all over again! It is great stuff that you won't want to miss.

There are two categories in which to participate.

The first of these is the "High Performance Driving Experience" (HPDX). This category is geared to drivers with track experience in Lapping Days, or Time Attack, or have completed a race driving school or have a competition licence. It involves high speed driving under FIA Lapping Rules. Helmets must be worn. Open cars must have roll bars (factory installed hoops are not acceptable). Passengers are not allowed.

The second category is "Touring". Touring is controlled-speed lapping. This involves driving at brisk but safe speeds. We will lead the Touring group with a pace car to ensure that safe speeds are maintained. Participants will gain a first hand "seat of the pants" understanding of what

racers experience on this undulating track. Passengers are allowed making this the ideal way to share a wonderful experience with family or friends.

See below for available sessions and costs. Follow the links for the Provisional Schedule:

There's Even More for You!

“CHECKERED FLAG CHARITY CRUISE”

Join us on Friday evening, June 15th as soon as racing is finished for a good old-fashioned “cruise” on the Start/Finish Straight of the famed Mosport Grand Prix Circuit. The only entry fee is a \$5.00 donation to the WOUNDED WARRIORS OF CANADA. Walk where champions have walked, enjoy the unique and rarified racing atmosphere, check out the classic cars, hot rods, sports cars, featured Corvettes and vintage race cars. Explore the race paddocks. Enjoy the vintage rock & roll music of “DJ Wild Willy”. Good food is available and there are modern comfort facilities. A exceptional night is in store for you here.

“PartSource Field of Dreams Car Show”

On Sunday June 17, you will want to be part of this ever-popular all-makes car show held on the infield park at Corner 8, sponsored by PartSource. This is a relaxed car show that mixes the most modern exotics with hot rods, home-builts and sports cars of all kinds. Corner 8 offers some of the best race viewing, while you mix with friends new and old and check out the great machinery.

Entry to the PartSource Field of Dreams Car Show is FREE!

Sunday Day Passes are offered to car show entrants at a special rate of \$20 per car (not per person). That's a great deal. Just make sure that you tell the Mosport Ticket Folks that you are entering the Car Show.

Sunday Noon Parade Laps

The Sunday noon hour Parade Laps are a perennial favourite feature of the Field of Dreams Car Show. This year, we will running two 15 minute sets of Parade Laps and we will be requiring owners to register their cars for the Parade Laps sessions. We will provide a windscreen sticker to show which Parade Lap session you will be in. The fee will be \$10, with proceeds going to WOUNDED WARRIORS OF CANADA. Don't miss this opportunity for your car to be the star!

The Great Canadian Racers Reunion

This event will be held on Sunday morning in the Marquee Tent in the lower paddock. It is really three events in one.

First, Gary Magwood (Former Canadian Racing Champion) will host other great Canadian and international drivers in a reunion that we call “Legends of Mosport”. This is not only a chance for these famous drivers to get together, but also provides a “Meet the Press” forum where a Drivers Panel will talk to the Press and answer their questions.

Secondly, it provides an opportunity for enthusiasts to get up close to these Motorsport icons and Driver Panelists and talk with them and perhaps ask your own questions of the Panelists.

Third, The Great Canadian Racers Reunion invites everyone who has ever been involved in racing in any capacity- driver, crew, marshal, official, etc. to come back home to Mosport to meet and greet old friends.

So, won't you please **COME HOME TO MOSPORT ??** Come and be part of this fabulous weekend of racing and so much more.

VARAC welcomes you home to Mosport.

See you there!

For advance ticket purchases follow the Mosport link:
